Writing

It was a trip I will never forget. My husband offered me to go to the forest with our daughter for walk and breath ~~in~~ clean air because the weather was warm outside. I was confused for the first time because I had to work and was too busy but later he persuaded me. We packed our baggage, took blankets and start^{ed} our road.

When we came, I was admiring wonderful and unforgettable view. To be honest, I ~~am~~ ^{was} bewildering - I said.

My daughter and husband were ~~to~~ full of happiness because they didn't spend much time together for a long time. We saw a tiny tree and sat on it. Then I started to look around and was admiring a lot of yellow flowers, ~~high~~ green trees and mountains are seen from afar. I was so happy to see how my lovely people played together. ~~We were~~ we were walking to until the evening and came back home the deepest night.

It was the best day in my life. I got a lot of positive emotions.
