Dear Janice,

Thank you for the letter. It is great if you will learn foreign language.

As for me, I like all foreign languages. Because every language have more secrets, symbols and more off. I have studied for the English language. I like this very much, because it is interesting and for me it's fun for me. I never learned Chinese or Japanese or Dutch languages. If you will learn foreign language, you will be very successful and will understand the communication of foreigners. I think you do it! You have to believe yourself!

At the end I wish you success and happiness

All the best,
Alina
